BACKLINE RIDER

The band provides most of the items they use.
Please keep in mind that the band has their own **sound** FOH
incl. console, stagebox and sound engineer.

(TSAR PLUH)

DRUMS

(1) Drum Rug

No other requirements (we will bring a full drum set) N/A for festivals where the drum set is provided and shared between all bands.

GUITARS

No requirements (we use amp simulators plugged directly into the mixer)

BASS

No requirements (we use an amp simulator plugged directly into the mixer)

MICROPHONES

(4) Tall Microphone stands

No other requirements (we will be bringing all of the microphones needed for our band)

CABLES

(10) 10m XLR Cables

(10) 5m XLR Cables

(3) Long Power Extensions

MONITORS

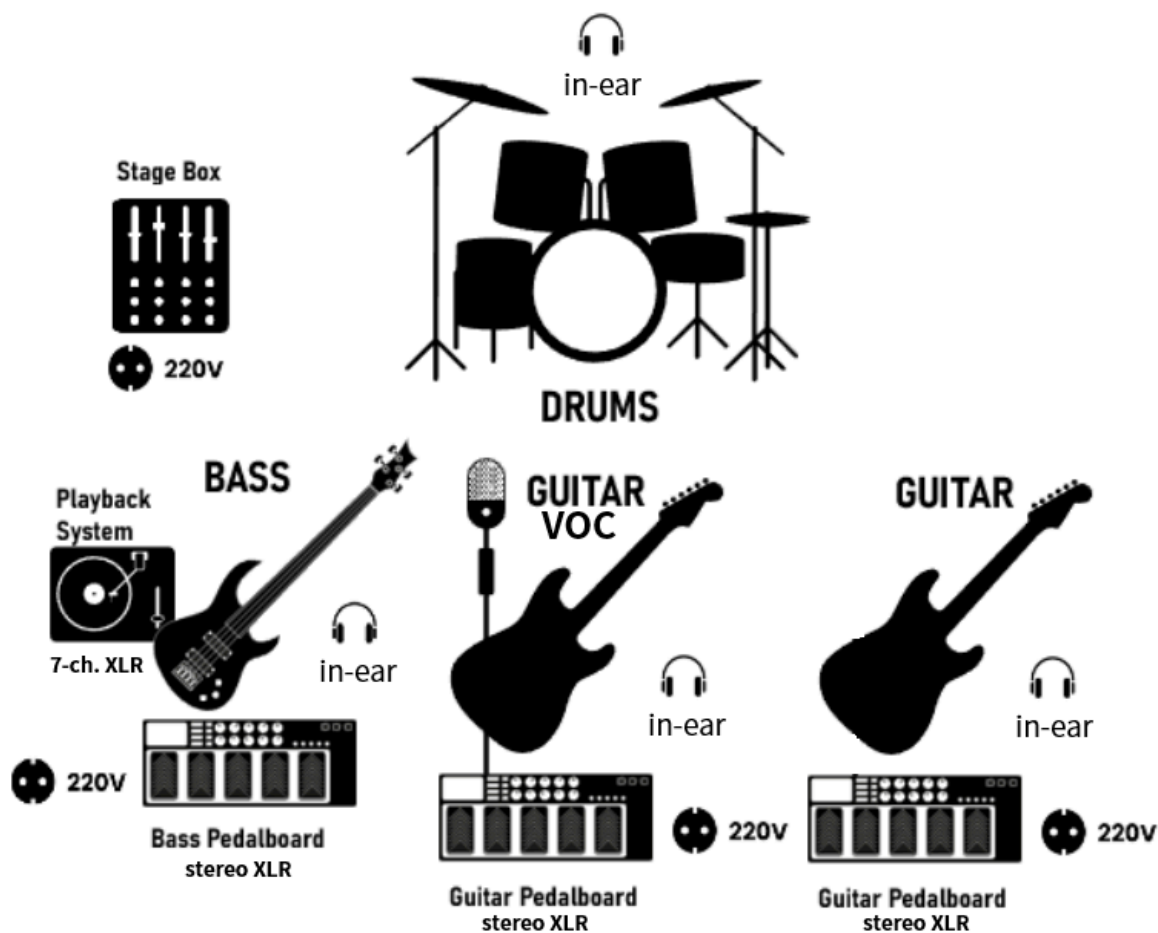

(3) Stage Monitors (we need three stage monitors on three separate mixes)

No other requirements (we will be bringing our own In-Ear monitoring System)
